Accra, Ghana

WHO WE ARE

Corporate Overview

Established in 2013, Omanbapa Ghana Ltd serves as the holding and strategic investment company of the Omanbapa Group. Over the years, the Group has evolved into a multi-sector enterprise with operations spanning various critical branches of industry.

Headquartered in Ghana, the Group operates through a portfolio of specialized subsidiaries designed to support national development priorities, strengthen institutional capacity, facilitate international trade, and drive economic transformation across Africa.

By combining local market expertise, global partnerships, regulatory compliance, and innovative technologies, Omanbapa Group serves as a trusted partner to governments, development agencies, multinational corporations, investors, and private sector institutions.

OUR THREE STRATEGIC PILLARS

01

Institutional Partnerships

Collaborating with government agencies, regulators, and international stakeholders to deliver high-impact projects.

02

Innovation & Technology

Deploying modern technologies that improve execution efficiency, corporate security, and operational compliance.

03

Sustainable Growth

Supporting broader economic acceleration, extensive job creation, and sustainable local capacity development.

THE FUTURE OUTLOOK

Our Vision

To become Africa's leading integrated solutions group, connecting governments, industries, and communities through innovation, technology, and sustainable development.

OUR PURPOSE

Our Mission

To deliver transformative solutions that strengthen institutions, facilitate trade, enhance security, support food systems, develop infrastructure, and create long-term socio-economic value.

THE FOUNDATION

Core Corporate Values

01

Integrity

Absolute transparency and ethics governing every deal and institutional deployment.

02

Excellence

Speed with quality remains our fundamental benchmark across all industrial outputs.

03

Innovation

Constantly modernizing workflows through state-of-the-art tech integrations.

04

Accountability

Taking complete structural responsibility for milestones and governance setups.

05

Partnership

Building continuous structural bridges with international and domestic entities.

06

Sustainability

Protecting ecological frameworks while unlocking lasting financial models.
